Day notes

Week 1 - Our God and our goals

What are Mission to Work day notes?

Whatever you want them to be! I put these pages together because of the challenge involved with getting better at spotting God at work, and remembering things we've seen, and there are lots of ways these day notes can help with that.

It looks a lot like a diary. But I've already got a diary.

You could use these as diary pages, but I don't - as I already have a diary for planning, I use these more for writing notes about things which have happened which are worth remembering, praying about and using to encourage others (and myself!)

What is the aim of doing this?

Mission to Work's aim is summed up in this key scripture, 1 Peter 4:11 - *"If you serve, you should do so with the strength God provides, so that in all things God may be praised through Jesus Christ. To him be the glory and the power for ever and ever. Amen."*

This week we have looked at who God is and what he is like, to help us spot God's working in and around us in the office. The more practice we get at this, the better we're able to praise God, as well as gain encouragement from knowing that he is already at work with us.

As you see this happening, how does it affect you?

Next week we'll look at how God sees us, who we are when we have a relationship with God, and how that can make all the difference to how we deal with stress, challenges, opportunities and the people we are getting to know at work.
